**Introduction**

Enthusiastic and adaptable individual currently pursuing a degree in Computer Science with a growing interest in technology and its role in shaping the modern world. As a newcomer to the professional field, but I bring a mindset grounded in curiosity, discipline, and a strong desire to learn. I’m drawn to environments where I can explore how digital systems, and innovation impact everyday life. Open to diverse opportunities, I’m eager to develop new skills, contribute to meaningful work, and grow into a confident, team player. I’m a team member ready to thrive in today’s fast-paced, evolving world.
